

## Overall video Questionnaire

I am gathering feedback for the final music video. It would be greatly appreciated if you could answer the following questions of your final response and any other comments of the final product as honestly and detailed as possible. Thank you

1. What are your overall views on the music video?

Professional looking and I liked the whole concept.

2. Do you think the video follows the conventions of an Indie genre?

Yes. in its own way.  
I didn't think it was a typical Indie video.

3. Do you think it is easy to follow? Why?

Yes. because the action matches the lyrics - I can understand it.

4. What would you say makes it unique?

Original because you don't expect an indie video to be like that but it goes.

5. Do you think it is good enough to be shown on a music channel?

Yes.

6. Do you think it would be successful if it was to be shown on a well known music channel? Why

Yes. because it doesn't follow Indie style I think people will find it interesting.

7. What do you think of the narrative? Does it match with the music?

Yes.  
It is a touching / interesting narrative.
